Dear Sir or Madam

**Reference for Graeme Boyd**

Graeme is a very active professional who I believe exemplifies much of what we want to see from people working in libraries and information: he is focused and energetic. He sets an excellent example for people coming into the profession.

In our dealings I have always found him to be enthusiastic and supportive.

As well as having an accredited library and information qualification, Graeme has also Chartered with CILIP, which is evidence of a lifelong commitment to personal professional development and a reflective approach to learning and experience that benefits the workplace.

You are very welcome to contact me with any questions about Graeme and the qualifications he has undertaken.

Yours faithfully
